## SCHOOL START AND FINISH TIMES POLL RESULTS.

Dear Parents and Carers,

The poll to obtain your views on School Start and Finish Times was conducted last week and as you know, it requested a YES/NO view on the proposition....

***“that school should begin at 8.55am and end at 2.55 pm on all school days”***

The document was sent to all enrolled families using the School communication process and was emailed to the families on the list for enrolment in 2013.

The deadline for the poll in the original document was set at 3.25 pm Wednesday 28<sup>th</sup> November with an extended deadline (Friday 30<sup>th</sup> November, 2012) published in the P&C bulletin on the 26<sup>th</sup> November, 2012.

The intention of the poll was to provide information to the school executive on parents' views.

The results at the close of the school day on Friday 30<sup>th</sup> November were as follows:

<b>Total Responses:</b>	<b>159</b>
<b>Responses Favouring Change (YES):</b>	<b>87 (54.7% of all responses)</b>
<b>Responses Favouring No Change (NO):</b>	<b>72 (45.3% of all responses)</b>

**The response rate was ~63 % based on a poll roll of 252 (including new families on the 2013 enrolment list).**

Some of you (~10%) also chose to write comments on your response form. These comments have been collated and provided to the school executive.

Many thanks to all parents and carers who responded to the poll.

Yours sincerely,

Kieran F. Scott PhD. (Immediate Past-President).
